NSA Mid-South

Facility and Location

Naval Support Activity (NSA) Mid-South is located in Millington, 21 miles north of Memphis. As the activity has grown, so has its impact on the area. The mission of NSA Mid-South is to maintain and operate facilities, provide administrative and logistics support to tenant activities, and perform such other functions and tasks assigned by higher authority.

NSA Mid-South operates and functions with an allowance of approximately 1,100 enlisted and officer personnel, civilians, and full time contract personnel who provide all essential logistics and operational support services to the commands and activities on board. Considered by resident activities as the landlord of Navy Mid-South, NSA Mid-South performs the many tasks necessary for the proper functioning of a self-contained city, including housing, food service, utilities, and facilities for purchase of essential food stuffs and personal items.

Media Sampled and Findings

Drinking Water — In 2007, two samples reported no detection. Prior to 2007, one sample detected perchlorate at 4 ppb.

Appropriate Actions

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
